## Part Number/Price

| Ref #                             | Part #  | Description                                                              | Qty | Synonym         | Price   |
|-----------------------------------|---------|--------------------------------------------------------------------------|-----|-----------------|---------|
| 1                                 | Consult | Frame, controller                                                        | 1   | 100-000-2465-00 | Consult |
| 2                                 | Consult | Bracket, connector, A                                                    | 1   | 000-110-7915-33 | Consult |
| 4                                 | 171880  | Sheet, display                                                           | 1   | 000-135-5531-43 | Consult |
| 5                                 | 225643  | Hinge, torque                                                            | 2   | 000-112-9612-00 | Consult |
| 6                                 | Consult | Accessory, bush, open lock                                               | 2   | 000-013-8915-08 | Consult |
| 7                                 | 189335  | Tapping screw, M3 × 12, cross pan head, p-tite                           | 6   | 000-072-8766-07 | Consult |
| 8                                 | 189336  | Tapping screw, M4 × 12, cross pan head, type 2                           | 2   | 000-072-8768-04 | Consult |
| 9                                 | Consult | Screw, M3.5 × 4, cross pan button head, zinc                             | 8   | 000-002-1849-03 | Consult |
| 10                                | 189337  | Cross hexagon bolt, M4 × 10, flange, zinc                                | 5   | 000-000-0338-09 | Consult |
| 11                                | 48233   | Screw, cross pan head M3 × 6 pan head SST                                | 2   | 000-000-0069-07 | Consult |
| 13                                | 189311  | Accessory, clamp, nylon clamp                                            | 1   | 000-003-6921-04 | Consult |
| 14                                | 116073  | Screw, M3 × 4 button flange head zinc                                    | 4   | 000-047-3842-08 | Consult |
| 15                                | 171881  | Case, controller, front                                                  | 1   | 000-135-4691-06 | Consult |
| 16                                | Consult | Case assembly, controller, rear                                          | 1   | 000-135-4692-00 | Consult |
| 17                                | Consult | Cover, connector                                                         | 1   | 000-135-4693-03 | Consult |
| 18                                | 189312  | Bracket, LCD, left                                                       | 1   | 100-000-2468-00 | Consult |
| 19                                | 189314  | Bracket, LCD, right                                                      | 1   | 100-000-2467-00 | Consult |
| 20                                | Consult | Case, speaker                                                            | 1   | 100-002-7398-01 | Consult |
| 21                                | Consult | Cover, speaker                                                           | 1   | 100-002-7397-01 | Consult |
| 22                                | 186529  | Accessory, clamp, flat cable                                             | 1   | 000-150-3050-07 | Consult |
| 501*                              | 171882  | PWB, P-1102A-4, display controller                                       | 1   | 100-003-3188-02 | Consult |
| 503*                              | 171883  | Touch panel, analog                                                      | 1   | 000-135-4851-14 | Consult |
| 504*                              | 206536  | Display, LCD maintenance                                                 | 1   | 100-037-1463-01 | Consult |
| 601*                              | 187338  | Harness, C5, LCD display                                                 | 1   | 100-035-2325-00 | Consult |
| 602*                              | 187339  | Harness, C5, communication                                               | 1   | 100-001-2009-01 | Consult |
| 603*                              | 187340  | Harness, C2, keyboard junction                                           | 1   | 100-001-4007-00 | Consult |
| 604*                              | 172673  | Speaker assembly                                                         | 1   | 000-140-7074-11 | Consult |
| <b>Additional Parts Available</b> |         |                                                                          |     |                 |         |
|                                   | 222020  | Bracket assembly, display                                                | 1   | 100-001-0162-00 | Consult |
|                                   | Consult | Gasket, conductive                                                       | 1   | 100-001-4006-00 | Consult |
|                                   | 200434  | Display unit, complete assembly (includes ref #'s 1-604 of display unit) | —   | 100-003-3403-00 | Consult |
